

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, I demand that the FCC put a stop to the indecency (not just Breasts) of their actions or else air Fahrenheit 9/11 the night after on all stations. If you cannot perform your FCC duties then let's get someone else in the FCC and fire you.
